PRESIDENTS MESSAGE

Our new Club, located in East Row, close to the corner of London Circuit, opened last week.

A tremendous effort was made by a number of Club members to redecorate, adapt, clean and tidy up the premises. On behalf of the Board of Directors I thank them all.

I do hope that you, your friends, and your family will use the Club on a regular basis to have drinks, meals, and to play the poker machines.

The success of our Club will depend on how often the premises are used.

The Club organised last week a plate dinner attended by Sir Arthur George, the President of the A.S.F. which followed an informal gathering where our patron the Prime Minister Malcolm Fraser met the players, the team staff, the Directors, and a number of the supporters. It is planned to hold further fund raising promotions in the future and I look to you to support these. Further, it is also planned to hold a special buffet for Foundation Members at a date to be announced.

This is our last League game, but there will be at least two other matches, the first against Newcastle in the Prime Minister's Cup on 17 September and the following Saturday in the League Cup against Fitzroy. Both these games will be at Bruce Stadium.

Be it ever so humble...

You probably know the old saying
"Be it ever so humble, there's no place like home."

Well its just as true today
as it was, when it was written,
more than a century ago.

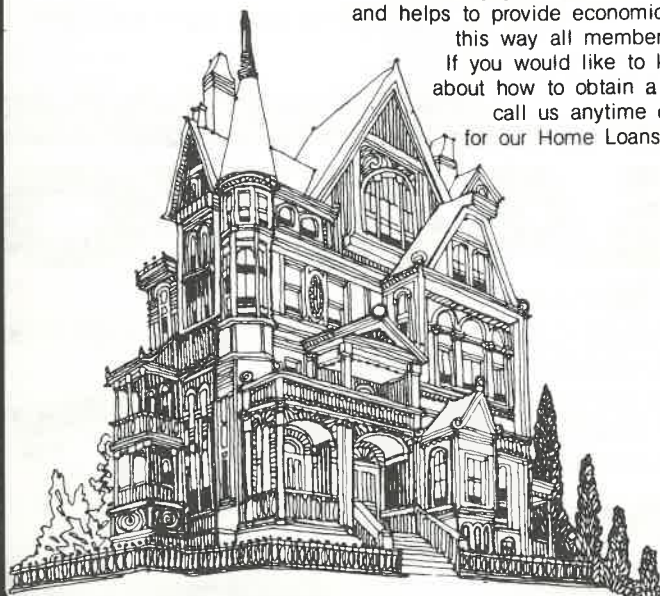

That's why Capital Permanent is so important
to its members. Helping them get their own home
(and lifes other desires)

is the reason that we exist. We are a non-profit making institution,
the difference between interest charged on loans
and that paid to investors merely provides income
necessary to meet running costs and maintain adequate reserves.

The money you save earns you more money
and helps to provide economical home loans . . .

this way all members benefit.

JOHNNY WARREN IN CONVERSATION

The Club is about to start a Players Development Fund which is intended to assist in a series of moves to put us higher on the ladder next year. The fund will be used to retain our star players which have shown to be a real asset to the club. It will also assist in increasing the coaching staff and provide them with more coaching aids ranging from soccer balls to video tape camera and recorders. It is also intended to provide funds to send two of our young players to one of the leading European clubs for intense training and to give them an insight into the professional soccer scene in Europe. In addition it is hoped we will be able to purchase several key players which are badly needed at present in our club.

The method of raising finance for the Players Development Fund will consist of requesting business, private persons and keen supporters to donate the sum of \$100 for which in return the donor will receive two annual tickets which will entitle him or her to attend every league and cup match free. This VIP ticket will reserve two seats in Bruce stadium in the VIP area and credits will be given in the programme next year. The value of the tickets is about \$90, which makes it good value for money. For further information please contact Mrs Nicki Moulis, phone 48 7939, Steve Doszpot 80 5854 (work), 88 6770 (home), Johnny Warren 88 7886 or the club house on 48 8917.

If our team plays with the same attitude today as they played last week against Western Suburbs we are bound to win. I was very proud the way they played and if you ask me whether I was happy, the answer is yes, as happy as you can be after losing a match.

We were a much depleted team with many youngsters and players inexperienced in PSL soccer, but we were unlucky not to win. For most of the time the play was in Western Suburbs half. Terry Byrne played

a beautiful game and was unfortunate not to have scored from three clear chances. Probably the most inspired performance we have witnessed came from Luis Salgado who was kicked unconscious with boot to the face. After about five minutes he carried on with a gash over his eye which needed four stitches, and a broken nose which required hospitalisation after his return to Canberra. The referee motioned to play on, not even a yellow card, nothing. Terry Byrne received a yellow card for setting up a wall against a free kick, which makes you wonder a bit.

The tremendous courage and determination of Luis were an inspiration to the rest of the team. There was a will to win and they had their chances. We have had a string of unusual injuries, John Brown with a broken arm, Ivan Gruicic kicked in the back, and John Davies was injured as well.

Today we have Brian Stoddart back with us after a one game suspension and we need him in there. Also in the squad will be Joe Arquero, Bernie Lustica and Phil Reis. The latter two performed very well against Western Suburbs. We are going in there today with the will to win and give our supporters what they are entitled to.

We are certain to play two more matches. The Prime Ministers Cup which will be played for between Newcastle and Canberra City on a perpetual basis. This match will be held on Sunday, 17 September and should become one of the highlights of the soccer calendar in Australia. The other match is the Canberra City versus Fitzroy Philips Cup match to be played also at Bruce Stadium on Sunday, 24 September. This is going to be a tough one. Fitzroy will try to avenge their 1-0 defeat at the hands of Canberra City but we will be at full strength and prove this was no fluke. If we win, there'll be another match somewhere else.

NEW PREMISES IN EAST ROW, CIVIC

The untiring work that preceded the grand opening on August 17 of our new premises by staff members and friends of our club was truly a magnificent effort. The co-ordination and management of services by Dennis Moir, John Maddelly, Jim Roberts and Alan Mallory was superb. Con, Steve, Hans, Igor, Boris, Col McLaughlin and many others too numerous to mention should make us all feel what a truly wonderful, hard-working membership we have at Canberra City.

☆ SAGA ☆

Saga is something of an institution on the Canberra music scene. The band was formed in June 1972 and in the past six years has retained its appeal and popularity through various changes of line-up. Highlights of Saga's career include winning the Canberra Heat of Showcase '75 and scoring a No. 1 hit in 1977 on the Canberra charts with their song "Cover of the Canberra Times". Always busy, the band works extensively in Canberra, Sydney and various country areas and several times a year takes time off for cruises with the P and O line in the South Pacific and Far East.

Much of the success of the band can be attributed to its policy of tailoring their music to the audience. They are able to accomplish this because of their wide

repertoire which ranges from cabaret music and evergreens to heavy rock.

In the near future Saga plans to release a new single and they have been recording material in Sydney Studios over the last month, hoping to repeat the success of "Cover of the Canberra Times".

Saga enjoys a close association with the Canberra City Club, and would like to thank its other sponsors "Music Boutique" and Ansett Airlines.

Saga is comprised of Hu Moran — keyboards, vocals. Graham Patrick — bass, sax, vocals. Jeff Gallimore — drums, vocals. Pete Leigh — guitar, vocals.

To contact the band for bookings for every type of job — phone 81 4987 bus. hrs. or 88 5962 after hrs.

Welcome

We welcome South Melbourne's coach Dave McLaren and his "millionaire" team to Bruce Stadium today. Last time we met was in Melbourne and City managed to come away with a valuable point. It was the last one of a group of three draws of the first half of the competition against Melbourne teams. The match today is the last one of the season and the other two matches against the Melbourne teams of the second half have resulted in wins for Canberra. The logical conclusion should be that we win this match. However, there is no logic in forecasting who is going to win, in particular against a diamond studded team like South Melbourne.

The undoubted talents of Jack Reilly who so skilfully defended the Australian goal in the Munich world cup games is

remembered by all. What a pity that the \$20,000 acquisition, George Campbell, will not be seen today because of his broken leg. Fortunately we will see Alun Evans in action (who was acquired for \$15,000), and we are looking forward to some good soccer today.

Five players have been carried over by South Melbourne from last year, Mike Hagegmanouil, Mike Pye, Kris Kalafatidis, Bill Roger and Duncan Cummings. The surprise departure of big Peter Ollerton to Marconi does not seem to have left a void, in particular when you offset it against Frank Munroe with a price tag of \$15,000.

Welcome also to Sam Papasavas, the man who has done so much for Australian soccer, the PSL and his club.

WOMEN'S SOCCER

The five-week women's soccer competition is now at an end with only semi-finals and grand final to be played.

Those supporters and spectators who have followed the women's soccer competition agree that the teams have progressed a great deal to games which are full of good kicking, passing and ball technique. The coaches of all teams must be thanked for their involvement in women's soccer and the improvement in the standard of play must be a pleasing result to them.

The semi-finals will be played on Sunday 27 August full of tension and high hopes as the teams involved try to get into the Grand Final. The two semi-final games will be played at the grounds next to Giralang Primary School on Canopus Crescent. The times of the games and the teams involved are:—

9.30 — Winner Group A Transtate Tyres
versus

Runner-up Group B Northern Lights

11.00 — Winner Group B Hawker College
versus

Runner-up Group A Canberra City South

The Grand Final will be held at the Hawker enclosed oval on September 2. Watch the Canberra Times for more details.

INTERNATIONAL ATHLETICS

Today the ACT Branch of the Amateur Association, in conjunction with Canberra City Soccer Club, Qantas and the Commonwealth Bank has great pleasure in presenting a Mini International Athletics match between the ACT, Sydney University and the visiting British Achilles team.

This match is one of a series being staged in Australia between the Achilles team and local teams.

It is significant that today (August 26) is exactly one hundred years since the first athletics meet was held by the Sydney University Club at the Albert Ground in Sydney.

Whilst the Sydney University Club has been in existence for One Hundred Years the Achilles Club was formed in 1920 and

is a combination of Oxford and Cambridge Universities.

The Achilles Club has a proud record of achievement with many world and former world record holders among its members, as well as Olympic gold medal winners.

Competing in the Sydney University team and the ACT teams will be at least four Australian internationals.

Just returned from the Commonwealth Games in Edmonton Gordon Windeyer (high jump), Peter Hadfield (decathlon) (both Sydney University) and Ken Lorrway (long jump, triple jump) (ACT).

Mick McGrath (Sydney University) has also represented Australia in the triple jump.

Our Junior Club of the Week is

BELCONNEN SOCCER CLUB

The Belconnen Soccer Club whose boys serve as ballboys and guard of honour today was formed in 1969 soon after the opening of the first suburbs in the area as a district-based organisation with the intention of offering football to players of all ages and standards.

It was hoped that with a broad based junior structure, enough local talent would be forthcoming over the years to produce senior teams which can compete successfully with the established ethnically-based clubs and give soccer a wider district appeal and support.

In spite of the lack of success in this direction to date, this philosophy is still considered correct and for that reason, the club has remained a single unit in spite of becoming numerically by far the biggest club in the A.C.T. Junior League — and perhaps in Australia. From its beginning nine years ago when it fielded three junior teams, the club now has 74 junior teams

between under 7 and under 17. Not surprisingly perhaps, the club has been the most successful in the Junior League, it has won the Club Championship every year since its inception.

Two of the ex-presidents of the club are well known personalities associated with football in the A.C.T. — Rod Jory and David Dillon. Another erstwhile president who will undoubtedly make a large contribution to the development of soccer in A.C.T. is Ken Carter who is presently a Vice-President of the A.C.T. Soccer Federation.

On a lesser, but equally important scale, the unselfish and willing contribution of the managers and coaches of junior teams in the club and should be gratefully acknowledged — without them there would be no junior soccer.

If you wish to know more about the Belconnen Soccer Club, ring Mike Welch 58 2224.

FOOTBALL LEAGUE NOTES

Comments:

At the end of what has been a hard season for the Canberra City League sides, it may be appropriate to note the comments from club personnel who, through 'fair and foul', have pushed on with the job of building the foundations of future club teams.

Victor Fernandez (Coach): "The measure of our success this year has been to provide for Johnny Warren your local boys for PSL service when required and still maintain our ability to compete in the senior local competition at the same time. We are into the final of the Autumn Shield with our first grade team and the third grade boys have reached the championship playoff, all of which is very encouraging. I think the future is exciting and steadily but surely the depth required in the club playing ranks is becoming a reality — it is just a matter of time".

Bill Arnold (Football League Club Chairman): "I'd like to take this opportunity to thank all club league members, i.e. committee members, coach, managers, ground support staff, catering ladies and supporters, who, through their efforts have enabled the club league scene to achieve this years success and notwithstanding some unfortunate weather from time to time, have maintained their cool. There is no doubt that our league sides next year will be a force to be reckoned with and team administration is as important as team work on the field — thank you all!"

Mike O'Neill (Manager Third Grade): "At the beginning of the season I was told that it couldn't be done — to build up three league sides with 16 and 17 year old players and hold our own in the tough local league competition. I don't seem to hear those knockers much anymore and I'm pleased to be associated with kids who, to my mind, have so much potential. Although it's been a hard season I'm sure it

was all worth it, 'broom and all!'"

Clive Jones and Geoff Tompsett (Manager Second and First Grade): "After a successful season it would now seem that the most difficult hurdle, that of beginning three teams, has been overcome and the continuation programme of next year should be somewhat easier. There are however, one or two areas which need to be tidied-up, for example, one or two of the younger members of our playing staff should consider what they can give to the club in terms of loyalty and effort rather than the present inclination of some who seem only prepared to take — this is not to reflect on players football ability but more a required adjustment in attitude of mind. One thing we must pride ourselves on is producing in these football league teams club loyalty which is an asset very difficult to buy.

Notwithstanding the inevitable problem areas, the season has seen a dramatic improvement in the club league arena, the impact of which, unfortunately, may only be apparent to those intimately involved — others may have to wait for a year or two to witness the performances of Joe Arquero, Phil Reis, Bernard Lustica, Craig O'Neill and others to come."

LICENSED PREMISES

The club commenced operations in the new premises at East Row Civic on Thursday 17 August, 1978 at 5pm and a private function for approximately 120 people was held on Saturday night, which proved to be most successful, despite some teething problems. The club catered for this number comfortably and on all indications functions of up to 200 people can be comfortably accommodated. — SO REMEMBER, IF YOU ARE THINKING OF HOLDING A FUNCTION — HAVE IT AT THE CLUB.

On the move, lots of supporters spent many hours organising and helping where required. Whilst everybody concerned did a marvellous job. Without their support the move could not have been made in time. Special thanks should be expressed to George Donda, John Madelly, Alan Mullany and the tireless evergreen Denis Moir whose contacts around Canberra make an electronic circuit board look obsolete.

Special thanks also goes to the many tradesmen and companies who lent a sympathetic ear to our many troubles during the move.

Entertainment will be commencing on a regular basis tonight with Saga performing, so watch and listen for future events. Why not make the club your regular meeting spot during the off-season and keep in touch with the happenings within the club.

LATE NEWS

The first grade has reached the final of the Autumn Shield and are in the Championship play-off for the Ampol Cup.

PROMOTION REPORT

With this, the final competition match for the 1978 season, I would like to take this opportunity to recap on the year's activities. Some of the pre-match entertainment this year has consisted of: Sky diving, marching girls, athletic meetings, calisthenics, karate, archery, women's soccer, and celebrity soccer games, all aimed at family entertainment.

Our thanks to all of the sporting bodies for their fine exhibitions in their respective skills, special thanks to Darryl Cross for his assistance and organisation with all the athletic events during the season.

Looking back at the promotional achievements, we must also thank the supporters club and "Saga". Because of their efforts, we have a club song "WE'LL BE WITH YOU" which will be out on a record for the start of next season. The ball boys and honour guard, with mascot "Barnabas", have also brightened the pre-match activities, not to mention the enthusiastic Canberra City "Wowdies", who are capably organised by "Miss Wowdie", Diane Slaven.

The promotional activities of the club will continue through the off-season, mainly in the form of the car raffle, which was a very successful and profitable exercise last year and by all indications, should be even more profitable this year. The car will be exhibited at various locations around Canberra every weekend through until 16th December. We are endeavouring to make up a roster system so that it is not the same few who do all the work every weekend, so if you fancy yourself as a Sales person, or would like to learn to become one, join the "Raffle Rousers". Contact either myself on 88 6770 (home) or 80 5854 (work), or Claude Le Chiang (46 2213) work.

I would once again like to thank our "Home Game Machine" for their individual and collective effort during this 1978 season, and on behalf of the club, look forward to their continued support for next year.
